

## Share and Care Fair Update!

The annual Children's Share and Care Fair was held April 22<sup>nd</sup> in Fort Atkinson. It was an exciting, successful event! The fair had 26 participants. Each participant had a fun activity at their table; one of the favorites was the glitter tattoos! Included in the participants was the petting zoo and Fort HealthCare's railyard which were both a huge hit! The fair served 226 children and adults! 96%\* of the attendees were from Jefferson County. The average age of the children was 6\* years old, however, ages ranged from infant to 13! Special thanks to Jefferson County's Wraparound for providing a healthy snack, Jefferson County Head Start for providing paper products for the snacks and hand sanitizer, and to Busy Barns for providing four free passes which were used as raffle prizes! Thank you to everyone who promoted the event, we look forward to next year!
